# GHC draws esteemed speakers and offers engaging sessions

Attendees choose from over 200 sessions and nearly 700 speakers

## KEYNOTES & OTHER PROMINENT SPEAKERS

Hilary Mason

Susan Wojcicki

Manuela Veloso

Blake Irving

Clara Shih

Megan Smith

Sheryl Sandberg

Janet George

### TRACKS

13

GHC offered tracks on technical and professional development topics, and 3 new tracks: Open Source, Productization and Organizational Transformation

### SESSIONS

218

### SPEAKERS

697 

A wide range of speakers offered diverse perspectives

### POSTERS

164

GHC is an important source of posters for ACM's Student Research Competition

### VOLUNTEERS

1,573

Volunteers reviewed CFP submissions, scholarship apps and provided event support

## How are GHC sessions chosen?

- 1 Most GHC content is gathered through the Call for Participation (CFP) process
- 2 All proposals undergo a rigorous review process by a team of volunteer subject matter experts
- 3 Volunteers come from diverse backgrounds, including corporations, government, academia, startups and nonprofits

1,377

CALL FOR PARTICIPATION SUBMISSIONS

32% increase in submissions from 2014

*I learned more in a day than I did in the past decade.*

INDUSTRY ATTENDEE

## THE TECHNICAL EXECUTIVE FORUM

This exclusive event for senior technical executives from ABI's Partner companies connects and empowers leaders committed to diversifying their workplace

56

organizations

104

executives

43%  
men

64%

first-time attendees

*It was awesome and thought provoking to meet and work with tech industry leaders on the very critical issues around gender diversity that hamstring innovation.*

INDUSTRY EXECUTIVE

## RATINGS

# By all measures, GHC 2015 is a success

*The conference is a rich, inspiring experience for professionals, students, speakers and sponsors*

## GENERAL CONFERENCE RATINGS (OVERALL QUALITY)\*

\*NOTE: The post-event survey had a high response rate of 47%. Survey respondents were representative of conference attendees overall. These numbers exclude nulls and not applicables.

## THE GHC EFFECT

Many attendees are motivated to join and/or start groups in their communities after experiencing GHC

**31%** plan to join/start diversity initiative

**28%** plan to join Systems or join/start ABI.Local

## MORE THAN HALF OF ATTENDEES ARE LIKELY TO RETURN FOR GHC 2016

52% of survey respondents are likely to attend GHC 2016, while 42% aren't sure yet

About 25% of respondents attended a previous GHC

## CAREER OPPORTUNITIES

**90%**

**Almost all survey respondents were inspired about career opportunities ahead**

**76%** More than three quarters of survey respondents felt like they developed a strong professional network

## CAREER FAIR HIGHLIGHTS

### TIME SPENT AT FAIR

On average, respondents spent over a third of their time at the career fair

**217** Career Fair Booths **25** Community Booths

### RESUMES SUBMITTED

**4,361 TOTAL**  
up **96%** from 2,224 in 2014

**“** No greater feeling than to be surrounded by 12,000 smart beautiful tech women for 3 whole days!! Thank you @anitaborg\_org #GHC15 #girlpower **COURTNEY BOHRER**

# Students gain confidence—and jobs—at GHC

Nearly all students leave inspired and committed to pursuing tech careers—some with offers in hand

“GHC was a life changing event and I barely touched the surface. One thing I really loved was the Student Opportunity Lab. The speakers were very knowledgeable and informative.”

STUDENT ATTENDEE

## ATTENDEE PROFILE

DEGREE		MAJOR			
Bachelor's Degree	73%	Computer Science & Engineering	67%	Business	6%

OUTLETS  
AT GHC

38

26% increase  
from 2014

“Attention toward diversity in technology companies has never been more intense. And perhaps nowhere are technology companies’ efforts to address part of this problem—their low numbers of women—more visible than at Grace Hopper...The conference is so much the center of the women in tech discussion that when companies outline their diversity efforts on promotional websites, it often gets a specific mention.
