

# Nominate the next Abie Award Winners!

Since 2004, the Abie Awards have recognized the success of women and non-binary technologists whose achievements and life stories demonstrate that all of us have the power to improve our world, individually and collectively.

Our community of Abie Award recipients now includes **100+ global leaders** from academia, industry, government, and beyond.

Fei-Fei Li

Ayanna Howard

Holly Liu

Natalya Bailey

Mary Lou  
Jepsen

Chieko  
Asakawa

CostaCheca

Lisa Su

## Award Categories

The Abie Awards program aims to engage all audiences of the AnitaB.org community - from students to executive-level leadership, including industry professionals, entrepreneurs, and faculty. In 2022, we will present:

**Technical Leadership**  
**Technology Entrepreneurship**

**Change Agent**  
**Student of Vision**  
**Emerging Leader**

### EACH AWARDEE RECEIVES:

A cash prize  
Honors at Grace Hopper  
Celebration (GHC)  
The opportunity to speak  
at GHC

## We want to meet the amazing women in your network!

Please nominate the incredible women and non-binary technologists whose achievements need more recognition, and visibility, and who inspire our community every day. Learn more about award selection criteria and application requirements.
